

11 September 2018

Dear Student

Phase-out of the National Diploma in Civil Engineering and Phase-in of the Diploma in Civil Engineering

The Department of Civil Engineering and Surveying has implemented the **Diploma in Civil Engineering** in 2018, which will replace the National Diploma in Civil Engineering.

The purpose of introducing this qualification is to align with the new Higher Education qualification sub-Framework (HEQSF) as Gazetted by the South African Department of Education on 2 August 2013. This is a requirement placed on all Higher Education institutions.

Students who are returning to complete their qualification will be admitted on the current National Diploma (ND) qualification if their outstanding subjects are still offered. Once the qualification has been phased out, students can be articulated into the Diploma in Civil Engineering by applying for recognition.

Phase-Out Plan for the old National Diploma

Year		old National Diploma	
		<i>Students doing subject for first time</i>	<i>Repeat students</i>
2017		National Diploma Civil Engineering students who have passed all S1 and S2 subjects in 2017 will continue with Experiential Learning in 2018. 2017 First year students who fail S1 subjects for the second time during 2017 will be given an opportunity to join the new ECP Diploma Programme in 2018. All pre and co requisites will be strictly adhered to for admission.	
2018	S1	No S1 subjects offered on the old National Diploma	Repeating 2017 students may apply for recognition of subjects on the new Diploma.
	S2,S3, S4	All subjects offered.	
2019	S2	No first time admission. Exclusion rules will be strictly applied.	
	S3, S4	All subjects offered. All pre and co requisites will be strictly adhered to.	
2020	S3, S4	Final offering of S3, S4 subjects.	

Phase-Out Plan for the old National Diploma ECP (extended programme)

Year		old National Diploma	
		Students doing subject for first time	
2017		S1X- students passing all S1 subjects will continue with the S2 part of the programme in 2018. Exclusion rules will be strictly applied.	
		S2X- students who have passed all S2 subjects in 2017 will continue with Experiential Learning in 2018.	
2018	S1	No S1 subjects offered on old National Diploma	
	S2,S3,S4	All subjects offered	
2019	S1,S2	No S1,S2 subjects offered on old National Diploma	
	S3,S4	All subjects offered full time	
2020	S3,S4	Final offering of S3, S4 subjects	

Students are requested to sign the attached acknowledgement form that they were informed of the Phase-out of the old National Diploma Civil Engineering and the Phase-in of the new Diploma in Civil Engineering. Acknowledgment forms to be submitted to the Departmental secretary by **no later than 28 September 2018**.

Yours sincerely

Ms A Kamalie,
Head of Department

Equivalent subjects: National Diploma Civil Engineering and Diploma in Civil Engineering

New Diploma in Civil Engineering	Old National Diploma Civil Engineering
Engineering Physics Engineering Mathematics 1	No comparable subject Mathematics 1
Engineering Drawing 1	Technical Drawings Topographical Drawings Civil Drawing 2: Module 1 Civil Drawing 2: Module 2
Computer Skills	Computer Skills 1 and additional course work
Surveying	Surveying 1 (Theory) Surveying 1 (Practical) Surveying 2 (Theory) Surveying 2 (Practical)
Applied Mechanics Professional and Technical Communication	Applied Mechanics 1 Communication Skills 1
Engineering Chemistry	No comparable subject
Construction Materials Technology Theory of Structures	Construction Materials 1 Construction Methods 1 Theory of Structures 2
Engineering Mathematics 2	Mathematics 2 and additional course work
Engineering Management	Management: Civil 1 Management: Civil 2
Engineering Drawing 2	No comparable subject
Introduction to Environmental Engineering	No comparable subject
Water Engineering 1	Water Engineering (Hydraulics) 2 Water Engineering (Water & Waste Water Treatment) 2
Structural Analysis	Structural Analysis 2 Structural Analysis 3
Geotechnical Engineering	Geotechnical Engineering 2 (Theory) Geotechnical Engineering 2 (Practical) Geotechnical Engineering 3 (Theory) Geotechnical Engineering 3 (Practical)
Transportation Engineering	Transportation Engineering 2 Transportation Engineering 3
Civil Engineering Documentation	Documentation 3: Specification Documentation 3: Civil Engineering Quantities Documentation 3: Estimating Documentation 3: General conditions of contract
Applied Mathematics	No comparable subject
Water Engineering 2	Water Engineering 3 (Hydrology) Water Engineering 3 (Reticulation Design)
Engineer in Society	No comparable subject
Engineering Design	Structural Steel & Timber Design 3 Reinforced Concrete & Masonry Design 3
Integrated Computer Project	No comparable subject
Civil Industrial Project (WIL)	Civil Engineering Practice 2 Civil Engineering Practice 3

11 September 2018

**Acknowledgement of information regarding the Phase-out of the National Diploma
Civil Engineering and Phase-in of the Diploma in Civil Engineering**

I hereby acknowledge receipt of information regarding the Phase-out of the National Diploma Civil Engineering and Phase-in of the Diploma in Civil Engineering.

I understand that if I have not progressed to year two of the National Diploma Civil Engineering by the end of 2018, I will have to apply for admission to the Diploma in Civil Engineering and will repeat year one.

I am aware that there will be financial implications if I am transferred to the Diploma based on my academic performance.

I accept to comply with any appropriate actions to overcome any unforeseen WIL implications that may occur due to the phase-out of the National Diploma.
