## Online Applications

Do you qualify to apply manually?

Manual applications are only available to the following persons:

- Applicants applying for RPL (Recognition of Prior Learning)
- Non-South African citizens
- South African citizens with international qualifications
- Applicants with permanent residence in South Africa
- Applicants with Refugee Status

### There are 7 Steps for Applying Manually

1. Choose a qualification
2. Complete an application form
3. Gather your documents (e.g. certified copies less than 3 months old)
4. Fill in the application form
5. Pay the application fee
6. Hand deliver or post your form and certified copies of documents to the campus where the programme is offered:
   - District Six Campus
   - Mowbray Campus
   - Wellington Campus
7. Follow-up and get your admission status via the online application tracking system by visiting www.cput.ac.za/study/tracking

### Online Applications

Do you qualify to apply online?

You may apply online if you fall within the following categories:

- You must be a South African citizen
- You are non-South African citizens
- You are South African citizens with international qualifications
- You are applicants with permanent residence in South Africa
- You are applicants with Refugee Status

### There are 5 Steps for Applying Online

1. Choose your qualification by consulting this brochure or the website
2. Gather your documents (e.g. certified copies less than 3 months old)
3. Download the online application guide available on our website for information on how to apply online
4. Complete your application online by visiting www.cput.ac.za/study/apply
5. Follow-up and get your admission status via the online application tracking system by visiting www.cput.ac.za/study/tracking

### Application Status

- Track the progress of your application (selection outcomes) by visiting www.cput.ac.za/study/tracking
- Official letters containing your application status will be available for download when ready

### What Will It Cost?

- **R1 750**
  - The amount is payable within two weeks of confirmation of acceptance for first-year studies.

- **R3 500**
  - Must be paid in full before registration in January of your academic year.

### Closing Dates

- **31 July**: Technology, Communication, Design, Media, Fashion, Manufacturing, and Performing Arts
- **31 August**: Engineering, Sciences, Business & Management, Law & Governance
- **30 September**: South African Bursaries

### Calculating the APS Score

The APS is calculated using the percentage score for the 6 highest scoring subjects (excluding Life Orientation). Multiple the results for Mathematics and Physical Sciences by 2 and add up all the other raw scores to obtain the final APS score.

#### Table 1: National Curriculum Statement and NCV Group A subject rating

<table>

### Are You an International Applicant?

Make sure you meet the selection criteria. You may need to complete the application documents (certified copies less than three (3) months old):

- Application documents
- Financial statements
- Proof of identity
- Proof of permanent residence

### International Student Guide

For international applicants, the University of South Africa (UNISA) and the Council for Higher Education (CHE) are available on the application form.

### Study Visas

Students are eligible for a student visa after they are admitted to the University of South Africa. International students may apply for a student visa after registration.

### Admission Requirements

- A national matric or equivalent qualification
- A minimum of 50% in Mathematics, Physical Science, and English
- A minimum of 50% in Business or Economics

### Payment Schedule

- **R1 750**: First-year registration
- **R3 500**: Second-year registration
- **R1 500**: Third-year registration

### Financial Aid

International applicants are required to apply for a student permit by completing Form 61 (I/C). You may apply at the Department of Home Affairs or to the SA High Commission. If you are applying from your home country, the International Student Advisor or the International Student Office may assist you.

Are these your school subjects? English, Mathematics, Physical Science, Life Science

ECONOMICS

Are these your school subjects? English, Mathematics, Physical Science, Life Science

Go to the National Senior Certificate (NSC) for a detailed breakdown of subjects and requirements.

FACULTY OF INFORMATICS & DESIGN

Are these your school subjects? English, Mathematics, Physical Science, Life Science

FACULTY OF BUSINESS & MANAGEMENT SCIENCES

Are these your school subjects? English, Mathematics, Physical Science, Life Science

Are you interested in pursuing a career in the hospitality industry? Those who are business savvy, innovative, and enthusiastic about keeping records, working with numbers, and enjoying working with people would thrive in this field.

FACULTY OF MEDICAL SCIENCES

Are these your school subjects? English, Mathematics, Physical Science, Life Science

Are you interested in pursuing a career in the hospitality industry? Those who are business savvy, innovative, and enthusiastic about keeping records, working with numbers, and enjoying working with people would thrive in this field.

FACULTY OF NATURAL SCIENCES

Are these your school subjects? English, Mathematics, Physical Science, Life Science

A Diploma in Real Estate can open doors to a variety of careers in the real estate industry. Individuals who are creative, are interested in media and enjoy working with people would be well-suited for this field.

FACULTY OF APPLIED SCIENCES

Are these your school subjects? English, Mathematics, Physical Science, Life Science

A Diploma in Chemical Engineering (ECP), Diploma in Civil Engineering (ECP), National Diploma in Maritime Studies (ECP), or Diploma in Mechanical Engineering (ECP). are options for those interested in engineering.

FACULTY OF HEALHT & WELLNESS SCIENCES

Are these your school subjects? English, Mathematics, Physical Science, Life Science

A National Diploma in Dental Technology can lead to a career in the dental field. Individuals who are interested in working in the outdoor environment and within communities would be well-suited for this field.

FACULTY OF EDUCATION

Are these your school subjects? English, Mathematics, Physical Science, Life Science

A Diploma in ICT: Applications offers a pathway to a career in the technology sector. Individuals who are interested in working in the outdoor environment and within communities would be well-suited for this field.

FACULTY OF ENGINEERING

Are these your school subjects? English, Mathematics, Physical Science, Life Science

A National Diploma in Maritime Studies can lead to a career in the maritime industry. Individuals who are interested in working in the outdoor environment and within communities would be well-suited for this field.

Are you interested in pursuing a career in the hospitality industry? Those who are business savvy, innovative, and enthusiastic about keeping records, working with numbers, and enjoying working with people would thrive in this field.
