## nursing management

The course offers nurses that are registered with the South African Nursing Council (SANC) as Professional Nurses, the opportunity to specialize in nursing management and leads to a qualification in nursing administration

## career opportunities

This course provides SANC registered professional nurses with an opportunity to upgrade their academic qualifications and develop an area of specialisation.

The Diploma in Nursing Management leads to registration with SANC as a Nurse Administrator (R1501).

## admission requirements

- ✦ Proof of current registration as a General Nurse with SANC.
- ✦ Proof of membership with a professional body for indemnity purposes e.g. DENOSA / NEHAWU/ HOSPERSA/SASOHN or others.
- ✦ Both registrations have to be maintained for the duration of the study period.
- ✦ Community Service post-training must have been completed.
- ✦ Recent curriculum vitae must accompany the application form.
