creating futures in
environmental management

Are you passionate about the environment?

With a qualification in Environmental Management you will be trained to manage projects that will lessen environmental impacts.

You will also be involved in activities such as environmental awareness projects, environmental impact assessments, and sustainable development.

YOU WILL LIKE THIS IF

You are passionate about protecting the environment.

YOU WILL STUDY AT

District Six Campus

YOU WILL STUDY FOR

Three years, full-time
Four years, Extended Curriculum Programme (ECP)

WHAT YOU NEED

Minimum Admission Requirements

National Senior Certificate (Grade 12) with:

- Mathematics (3) or Mathematical Literacy (5)
- Life Sciences (3)
- Physical Science (4)
- English (4)
- Geography (4)

The department utilises an Admission Point Score (APS) as selection criteria once your minimum admission requirements are satisfied. You also have to score a minimum of **25** for the Extended Curriculum Programme (ECP) with Math and **27** with Math Literacy; **30** with Math and **32** with Math Literacy for the mainstream programme on the APS.

DISCLAIMER

Meeting minimum requirements does not guarantee admission. This information is subject to change based on approval and accreditation of HEQSF aligned qualifications during 2018/ 2019.

Admission requirements may therefore differ between the existing qualification and the HEQSF aligned qualification. Please consult the CPUT website or faculty for updated information.

Every effort has been made to ensure the accuracy of the information in this pamphlet; however the University reserves the right at any time, if circumstances require to make changes to any of the published details.
