Engineering | FACULTY

Cape Peninsula University of Technology
creating futures

Do bridges, large concrete structures and roads fascinate you?

As a Civil Engineering Technician you will be involved in all spheres of the development of bridges, dams, roads, harbours and other structures.

From designing structures to costing and pricing materials, your work will be key to an engineering team.

YOU WILL LIKE THIS IF You are innovative, logical, creative and have strong problem-solving skills.

YOU WILL STUDY AT Bellville Campus

YOU WILL STUDY FOR Three years, full-time

YOUR SUBJECTS

FIRST YEAR

- Engineering Chemistry
- Engineering Mathematics
- Construction Materials Technology
- Engineering Drawing
- Computer Skills
- Surveying
- Applied Mechanics
- Theory of Structures
- Professional and Technical Communication

THIRD YEAR

- Applied Mathematics
- Water Engineering 2
- Engineer in Society
- Engineering Design
- Integrated Computer Project
- Civil Industrial Project (WIL)

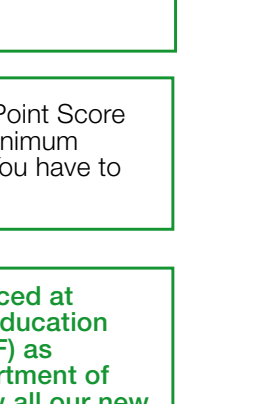

SECOND YEAR

- Engineering Mathematics
- Water Engineering
- Engineering Management
- Structural Analysis
- Geotechnical Engineering
- Transportation Engineering
- Civil engineering Documentation
- Engineering Drawing
- Introduction to Environmental Engineering

Your on-the-job training

Workplace-based learning will provide you with an uninterrupted period of **six (6) months** where you will obtain practical experience. You will be expected to produce a technical report of your work activities, while being monitored by Work Integrated Learning (WIL) coordinators in the workplace. A log-book of activities will be required, as well as an oral presentation.

YOUR FUTURE SELF

Future studies

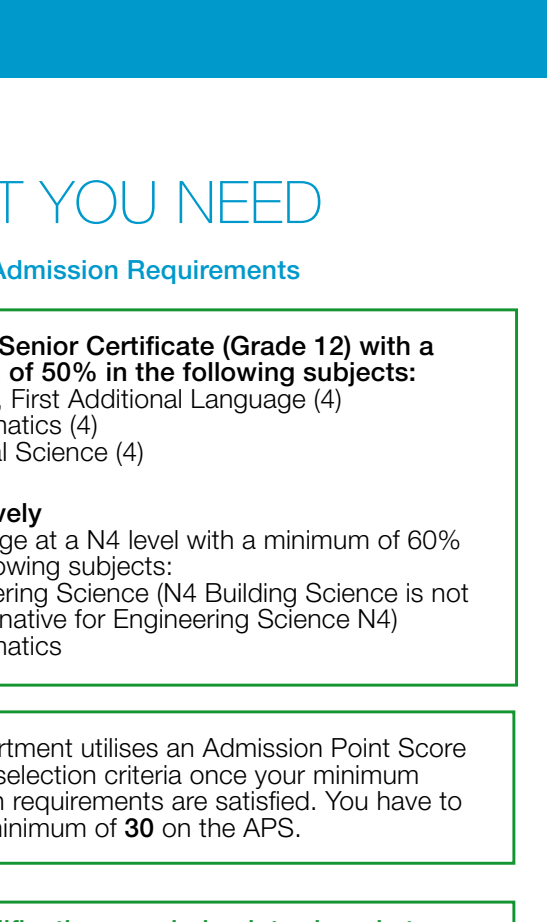

- Advanced Diploma in Civil Engineering
- Postgraduate Diploma in Civil Engineering
- Bachelor of Engineering (Honours) in Civil Engineering
- Master of Engineering in Civil Engineering
- Doctor of Engineering in Civil Engineering

Future industries

- Building industry
- Consultant firms
- Private organisations
- State departments and agencies
- Local authorities and municipalities

Future career

- Civil Engineering Technician
- Contractor
- Consultant
- Entrepreneur

creating futures in engineering

WHAT YOU NEED

Minimum Admission Requirements

National Senior Certificate (Grade 12) with a minimum of 50% in the following subjects:

- English, First Additional Language (4)
- Mathematics (4)
- Physical Science (4)

Alternatively
FET College at a N4 level with a minimum of 60% in the following subjects:

- Engineering Science (N4 Building Science is not an alternative for Engineering Science N4)
- Mathematics

The department utilises an Admission Point Score (APS) as selection criteria once your minimum admission requirements are satisfied. You have to score a minimum of **30** on the APS.

New qualifications are being introduced at CPUT to align with the new Higher Education qualification sub-Framework (HEQSF) as Gazetted by the South African Department of Education on 2 August 2013. To view all our new qualifications in the Faculty of Engineering, scan this code.

DISCLAIMER

Meeting the minimum requirements does not guarantee admission. This information is subject to change based on approval and accreditation of HEQSF aligned qualifications during 2018/ 2019. Admission requirements may therefore differ between the existing qualification and the HEQSF aligned qualification. Please consult the CPUT website or faculty for updated information. Every effort has been made to ensure the accuracy of the information in this pamphlet; however the University reserves the right at any time, if circumstances require to make changes to any of the published details.

HOW TO APPLY

MANUAL APPLICATIONS

Do you qualify to apply manually?

Please note: a non-refundable application fee will be applicable. Manual applications are only available to the following persons:

- Applicants applying for RPL (Recognition of Prior Learning)
- Non-South African citizens
- South-African citizens with international qualifications
- Applicants with permanent residence in South Africa
- Refugee asylum seeker temporary permit/ formal recognition of refugee status in the RSA

- 1 Choose a qualification
- 2 Complete an application form
- 3 Gather your documents (i.e. certified copies less than three months old)
- 4 Fill in the application form
- 5 Pay the application fee
- 6 Hand deliver or post your form and certified copies of documents to our District Six, Bellville, Mowbray, or Wellington Campuses (Admin buildings)
- 7 Follow-up and get your admission status via the online application tracking system by visiting www.cput.ac.za/study/track

ONLINE APPLICATIONS

Do you qualify to apply online?

The following persons may only apply online, i.e. no manual applications will be allowed:

- South African citizens with South African qualifications
- Returning students with a break in studies (more than 1-year break)

- 1 Choose your qualification by consulting this brochure or the website
- 2 Gather your documents (i.e. certified copies less than three months old)
- 3 Download the online application guide available on our website for information on how to apply online
- 4 Complete your application online by visiting www.cput.ac.za/study/apply
- 5 Follow-up and get your admission status via the online application tracking system by visiting www.cput.ac.za/study/track

CLOSING DATES
31 AUGUST
 International applicants
30 SEPTEMBER
 South African citizens
