Cape Peninsula University of Technology

creating futures

Do you want to design the world?

As an Architectural Technologist you will use your knowledge of construction methods, materials and innovative building design to translate architectural proposals into technical drawings and specifications used in the construction of buildings.

YOU WILL LIKE THIS IF

You are creative, strong in your drawing skills, and have an interest in architecture and construction.

YOU WILL STUDY AT

Foreshore Campus

YOU WILL STUDY FOR

Three years, full-time

YOUR SUBJECTS

FIRST YEAR

- Architectural Technology
- Architectural Design
- Architectural Practice
- Architectural Literacy
- Environmental Design

THIRD YEAR

- Architectural Technology
- Architectural Design
- Architectural Practice
- Architectural Literacy
- Environmental Design

SECOND YEAR

- Architectural Technology
- Architectural Design
- Architectural Practice
- Architectural Literacy
- Environmental Design

ECP is an Extended Curriculum Program for prospective students who meet the minimum admission requirements but may fall short of meeting the additional admission requirements for this programme. It is an enriched full year program bringing students up to speed to confidently succeed in the mainstream years. The subjects are as per the first year listed here.

Your on-the-job training

will be completed during your third year of study at a reputable architectural practice that is registered with the South African Council for the Architectural Professions (SACAP).

YOUR FUTURE SELF

Future studies

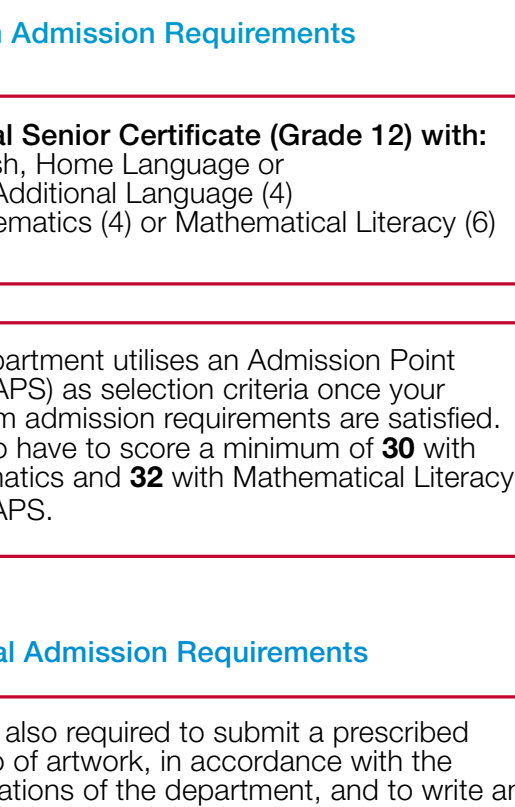

BTech: Architectural Technology
MTech: Design
DTech: Design

Future industries

Architectural practices

Future career

Professional registration: Once you've graduated, you can apply to the South African Council for the Architectural Profession (SACAP) for registration as a Candidate Architectural Technologist.

creating futures in architecture

WHAT YOU NEED

Minimum Admission Requirements

National Senior Certificate (Grade 12) with:

- English, Home Language or First Additional Language (4)
- Mathematics (4) or Mathematical Literacy (6)

The department utilises an Admission Point Score (APS) as selection criteria once your minimum admission requirements are satisfied. You also have to score a minimum of **30** with Mathematics and **32** with Mathematical Literacy on the APS.

Additional Admission Requirements

You are also required to submit a prescribed portfolio of artwork, in accordance with the specifications of the department, and to write an aptitude, language and mathematics proficiency test, as compiled by the department's selection committee.

DISCLAIMER

Meeting the minimum requirements does not guarantee admission. This information is subject to change based on approval and accreditation of HEQSF aligned qualifications during 2018/ 2019.

Admission requirements may therefore differ between the existing qualification and the HEQSF aligned qualification. Please consult the CPUT website or faculty for updated information. Every effort has been made to ensure the accuracy of the information in this pamphlet; however the University reserves the right at any time, if circumstances require to make changes to any of the published details.
