## Do you want to design the world?

As an Architectural Technologist you will use your knowledge of construction methods, materials and innovative building design to translate architectural proposals into technical drawings and specifications used in the construction of buildings.

### YOU WILL LIKE THIS IF

You are creative, strong in your drawing skills, and have an interest in architecture and construction.

### YOU WILL STUDY AT

Foreshore Campus

### YOU WILL STUDY FOR

Three years, full-time

## YOUR SUBJECTS

### FIRST YEAR

- Architectural Technology
- Architectural Design
- Architectural Practice
- Architectural Literacy
- Environmental Design

### THIRD YEAR

- Architectural Technology
- Architectural Design
- Architectural Practice
- Architectural Literacy
- Environmental Design

### SECOND YEAR

- Architectural Technology
- Architectural Design
- Architectural Practice
- Architectural Literacy
- Environmental Design

**ECP** is an Extended Curriculum Program for prospective students who meet the minimum admission requirements but may fall short of meeting the additional admission requirements for this programme. It is an enriched full year program bringing students up to speed to confidently succeed in the mainstream years. The subjects are as per the first year listed here.

## Your on-the-job training

**will be completed** during your third year of study at a reputable architectural practice that is registered with the South African Council for the Architectural Professions (SACAP).

## YOUR FUTURE SELF

## Future studies

BTech: Architectural Technology  
 MTech: Design  
 DTech: Design

## Future industries

Architectural practices

## Future career

Professional registration: Once you've graduated, you can apply to the South African Council for the Architectural Profession (SACAP) for registration as a Candidate Architectural Technologist.

## WHAT YOU NEED

### Minimum Admission Requirements

**National Senior Certificate (Grade 12) with:**

- English, Home Language or First Additional Language (4)
- Mathematics (4) or Mathematical Literacy (6)

The department utilises an Admission Point Score (APS) as selection criteria once your minimum admission requirements are satisfied. You also have to score a minimum of **30** with Mathematics and **32** with Mathematical Literacy on the APS.

### Additional Admission Requirements

You are also required to submit a prescribed portfolio of artwork, in accordance with the specifications of the department, and to write an aptitude, language and mathematics proficiency test, as compiled by the department's selection committee.
