Cape Peninsula University of Technology
creating futures

Are you always behind the lens?

Photography is the art, science and practice of making, processing and delivering images to the fast-paced world of modern visual communication.

All current genres of photography are explored. You will be set on track to become a professional digital image-maker, with numerous and exciting career options, including glamorous fashion photography, high-end advertising imagery, sophisticated people and lifestyle depictions, reportage, art, and more.

YOU WILL LIKE THIS IF You have a passion for art and design with a deep-seated curiosity and interest in the world around you.

YOU WILL STUDY AT 80 Roeland Street, Cape Town

YOU WILL STUDY FOR 3 years, full-time
