Cape Peninsula University of Technology
creating futures

What would your city look like?

Deciding where a road runs and where houses should be built is the task of Urban and Regional Planners. They perform land appraisals, planning surveys and analyse and present data by using maps, graphs, diagrams, and sketches.

If you want to make an impact on how the cities of the world are organised, then a career in Urban and Regional Planning is right up your alley.

| | |
|------------------------------|--|
| YOU WILL LIKE THIS IF | You are well-organised, enjoy working with data, maps and graphs and have an interest in the development and growth of cities. |
| YOU WILL STUDY AT | Media City/ Foreshore Campus, 1 Heerengracht Street |
