APPLICATION PROCESS

OVERSEAS HOST INSTITUTIONS

Host Institutions submit project proposals to Fulbright Commission or U.S. Embassy in their country

Project proposals are reviewed and approved by the Fulbright Commission/ U.S. Embassy and the U.S. Department of State

U.S. ACADEMICS AND PROFESSIONALS

Prospective Specialists submit online applications on a rolling basis to join the Fulbright Specialist Roster

Individuals approved by peer review panels are admitted to the Fulbright Specialist Roster for a duration of three years

Based on their professional experience and academic credentials, qualified candidates from the Roster are matched to projects by World Learning and approved by the J. William Fulbright Foreign Scholarship Board

THE FULBRIGHT PROGRAM

Connecting people. Connecting nations.

The Fulbright Program is the U.S. government's flagship international educational and cultural exchange program. For more than 73 years, the Fulbright Program has offered opportunities for passionate and accomplished individuals of all backgrounds. Fulbrighters enrich their educations, advance their careers, and make meaningful contributions to communities abroad and at home.

The Fulbright Specialist Program, a part of the larger Fulbright Program, was established in 2001. The program pairs highly qualified U.S. academics and professionals with host institutions abroad to share their expertise and develop institutional linkages.
