Map and directions:

<http://www.cput.ac.za/about/visit/bellville-campus>

Modules 2017

Research for Enhancing Teaching and Learning (core module)

Dates for contact sessions and venues will be announced.

Electives 2017

ONE of the following elective modules is required:

- ICTs for Teaching and Learning
- Citizenship, Social Inclusion and Difference
- Academic Leadership and Management
- Postgraduate Supervision
- Service Learning and Community Engagement
- Work and Learning
- Recognition of Prior Learning

Electives will be offered subject to demand.
Dates and venues for the elective module contact sessions will be announced.

Assessment requirements

In order to graduate with the PG Dip (HE) (T&L) qualification you will need to achieve a minimum mark of 50% in each module. The modules include a variety of assessment tasks: from essays and seminars to producing a video or developing a website. There are both face-to-face support and on-line consultation and feedback for all the assessment tasks. Each module includes both formative and summative assessment tasks. Detailed and timely feedback on all assessment tasks will be provided.

Postgraduate Diploma

in Higher Education in Teaching and Learning

PG Dip (HE) (T&L)

2016 - 2017

Cape Peninsula University of Technology
Stellenbosch University
University of the Western Cape

The PG Dip (HE) (T&L)

The important role that effective teaching and learning play in higher education is increasingly being recognised internationally as well as in South Africa through national teaching excellence awards, teaching development grants, teaching audits, and the growing field of scholarship in teaching and learning. The broad aims of the PG Dip (HE) (T&L) are to enhance the quality of teaching and learning in South African universities as well as to promote a scholarly and professional approach to development in the field of university teaching. The PG Dip (HE) (T&L) is a regionally taught programme and is the first collaboration of its kind in South Africa. It aims to:

- strengthen your teaching and assessment practice;
- introduce you to different ways of understanding teaching, learning and assessment in higher education;
- assist you to undertake research to enhance teaching, learning and assessment in your institution;
- provide opportunities for national and regional teaching, learning and research collaboration.

Admission requirements

A Bachelor's degree (or equivalent, as approved by the relevant university Senate) is required. Candidates should have a minimum of two years' teaching or related experience in higher education. The deadline for applications is **30 October 2015**. Candidates will be notified of their acceptance onto the programme by 13 November 2015.

Programme structure and content

The PG Dip (HE) (T&L) is a formal honours level (HEQSF level 8) qualification. All modules are 30 credits each. The PG Dip (HE) (T&L) is offered part-time over two years. The programme comprises three core modules and a number of electives that are intended to address a range of specialised issues in teaching and learning in higher education. The programme is offered through a combination of 'block' contact sessions and on-line environments.
