

**FACULTY OF HEALTH AND WELLNESS SCIENCES
DEPARTMENT OF MEDICAL IMAGING & THERAPEUTIC SCIENCES (BELLVILLE CAMPUS)**

Dear Applicant

APPLICATION FOR ENROLMENT: BSc DEGREES IN RADIOGRAPHY

The Cape Peninsula University of Technology (CPUT) offers the following 4-year professional Bachelor of Science Degrees in Radiography, namely:

BSc in Diagnostic Radiography

BSc in Diagnostic Ultrasound

BSc in Radiation Therapy

BSc in Nuclear Medicine Technology

These Radiography degrees are offered at the Bellville Campus of CPUT. Work Placed Learning (WPL) also known as clinical placements is a compulsory component of the course for all students in all four programmes and will take place at HPCSA accredited hospitals or clinics across the Cape Metropole.

Transport to and from these clinical sites will be for the applicant's own account.

All Radiography applications completed online / received by the closing date of 30 September 2020 will be considered for selection for the above BSc degrees for 2021.

Please note that only the following category of applicants are eligible to apply manually.

- Recognition of Prior Learning (RPL) candidates – closing date 30 June 2020.
- Non-South African Citizens (International applicants) – closing date 31 August 2020
- Non-South African School Leaving Types applications – closing date 31 August 2020

NB: No manual posted or over the counter applications will be accepted for normal RSA applicants.

In order to be considered for the above Radiography programmes, a completed CPUT application form is required inclusive of the supporting documentation, as well as the **Radiography Questionnaire**. **The latter form is available on the CPUT website. It is imperative that all forms are fully completed and that all required documents are included when submitting the application.** If not, processing of your application will be delayed. Applicants are also reminded to regularly check the status of their application online and flag any delays with our administration department. Manual application forms and accompanying documents (RPL and International applications) may be hand delivered or posted to the CPUT (Bellville Campus) as per the address provided on the forms.

All documents must be uploaded / received by 30 September 2020. No late or incomplete applications with outstanding documents will be accepted. Progress reports or results for subsequent examinations must be forwarded as soon as they are received.

All applicants will be notified via CPUT's website (Application Status) as soon as possible, whether or not the application has been successful. Please note that any selection will be provisional on all subsequent and final results being submitted and evaluated against our admission criteria. These results should be submitted within 3 days of receipt.

There are many applicants for Radiography and of the several hundred who apply approximately 80 - 100 students will be selected. The majority of those accepted are for Diagnostic Radiography. Approximately 8 - 12 students will be accepted for Radiation Therapy, 8 - 12 for Diagnostic Ultrasound and 4 – 8 students for Nuclear Medicine. These figures represent the total number of Radiography applicants accepted at the Cape Peninsula University of Technology.

Yours faithfully,

A handwritten signature in black ink, appearing to read "A Speelman", is written over a light grey rectangular background.

Mr A Speelman
